Headline:
Dry and bright with light winds.

Today:
A lot of dry and bright weather with long sunny intervals but a few light snow flurries for Northern Tayside in the morning. Clouding over in the west later in the afternoon. Lighter winds and even feeling slightly milder. Maximum temperature 5 deg C (41 deg F).

Tonight:
Dry and clear conditions initially but cloud spreading in with some sleet or snow into western Central in the early hours, mainly dry around the coast, westerly winds increasing too. Minimum temperature -2 deg C (28 deg F).

Thursday:
A bright start around the coast but some rain in the west and strong winds once again. Heavier rain expected by late afternoon or early evening, turning wintry over hills. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Strong winds and blustery snow showers on Friday and Saturday, although winds easing later Friday. Drier and brighter on Sunday.
